NOTES

Major titles/codes:

Prior to Fall 2012, ALL Journalism freshmen entered as "Prejournalism Majors", with the C58300 UT Austin major code. As they began their junior year, students would select a journalism curriculum track, and their major would then be called "Journalism - Photojournalism", "Journalism - Broadcast News", "Journalism - Multimedia Journalism", and so on, with a specific major code corresponding to the track. For clarity, the "Continuing in Journalism" and "Graduated in Journalism" rows in the table combine these; "Prejournalism" and "Journalism" (any track) majors are counted simply as "Journalism" majors. After Fall 2012, we no longer use the separate track codes.

Entering Year Semester (Cohort Year Semester):

Student entering year/semester - Ex. Fall 2010 entering freshman cohort, Fall 2011 entering freshman cohort, etc. Students included are full-time (enrolled for 12 or more hours) and in a degree-seeking program. First-time in college fall entrants in this report include those students enrolled in college for the first time in the fall semester, or for the first time in the prior summer.

Formula-funded ONLY:

This report includes only those students and courses eligible for formula funding from the State of Texas according to reporting rules published by the Texas Higher Education Coordinating Board (this covers the vast majority of UT undergraduates). The figures may not be representative of actual counts.
